Three phrasal verbs to use
everyday!

Figure out

Sort out

Work out

Three phrasal verbs to use everyday!

All 3 of these verbs can be used when trying to “solve a problem” when the problem is general and non-specific. However when the problem IS specific, one is more natural for each situation.

Figure out = Understand

Work out = Calculate/plan

Sort out = Organise/fix.

Three phrasal verbs to use everyday!

Three phrasal verbs to use everyday!

Three phrasal verbs to use everyday!

Three phrasal verbs to use everyday!

Practice time!

1. I can't _____ why my laptop keeps freezing.
2. We need to _____ how much money we'll need for the trip.
3. Don't worry about the hotel booking — I'll _____ it.
4. Can you help me _____ this maths problem
5. Let's _____ the details tomorrow.

To improve even further!

Try using these in your everyday life to figure out problems. Practice is the best way to improve!
